## A simple line drawing of a person sitting in an office chair. The person is shown from the side, with their back straight and head aligned with their spine. The chair has a high backrest and armrests. This diagram illustrates the concept of 'Posture' as mentioned in the text.

## A 3D architectural rendering of a long, white, minimalist table with a thick top and a thin base. Four modern chairs with light-colored upholstery and thin legs are arranged along the side of the table. The scene is set against a dark, textured background, possibly a wall or floor, with a bright light source creating a strong shadow and highlighting the table's edge.

# CONCETTI VISUALIZZAZIONE

Technical drawing showing the dimensions of a desk and chair setup. The desk is represented by a large rectangle with a smaller rectangle attached to its right side. The chair is represented by a blue outline of a person sitting on a swivel chair. Dimensions are indicated by blue lines and numbers:

- Desk height: 850
- Desk depth: 550
- Chair height: 400
- Chair seat height: 500
- Chair base width: 100
- Chair backrest height: 250
- Chair backrest width: 50
